# Articles Divers de Table

MODÈLES DÉPOSÉS

# Observations Générales

---

- I. —  Tous les articles de notre fabrication portent une étiquette, une estampille ou un poinçonnage représentant la marque ci-contre.
- II. — Nos tarifications sont établies pour marchandises prises dans nos magasins ; les emballages servant à l'expédition sont à la charge de l'acheteur.
- III. — Nous ne sommes pas responsables des casses et avaries diverses survenant en cours de route dans les envois, quelle que soit leur nature. Le destinataire doit, à l'arrivée, s'il le juge opportun, faire des réserves contre le transporteur.
- IV. — Pour éviter toute erreur, l'acheteur est prié de vouloir bien indiquer très exactement, en remettant sa commande : les numéros de classement et de série, la désignation et la dimension de l'objet choisi.
- V. — Nous faisons figurer sur les pages de tarifications une reproduction partielle du mètre, afin que l'acheteur puisse se rendre exactement compte de l'importance des pièces qu'il a l'intention de demander. — Il reste bien entendu que les hauteurs des carafes sont indiquées bouchon compris.
- VI. — Bien que nous représentions sur ce tarif les principaux objets de chaque service, nous croyons devoir donner, à titre de renseignement, pages 27-28-29, un aperçu de toutes les pièces susceptibles d'entrer dans la composition d'un service.
- VII. — Tout article tarifé dont la désignation est précédée d'un astérisque peut, sauf cas exceptionnel, être livré de suite. — Nous consulter pour le délai de livraison des articles non astérisqués ou des pièces à exécuter spécialement.
- VIII. — Nous utilisons, pour la monture de nos cristaux, des métaux de premier choix ; nous apportons les plus grands soins à leur dorure, leur argenture ou leur nickelage.  
Si l'acheteur en exprime le désir, nous livrons sans augmentation de prix les pièces dorées et argentées revêtues d'un vernis préservatif dit " Zapon ".
- IX. — Nous sommes à la disposition de l'acheteur pour établir des projets spéciaux de tous monogrammes ou armoiries qu'il désire faire graver sur nos cristaux.  
A titre d'indication, nous représentons quelques spécimens page III.
- X. — Le présent tarif annule tous ceux qui ont été antérieurement publiés.
